Dean
UPV Cebu College

Dear **Dean Avila**:

This has reference to your suggestion of downsizing the number of UPVCC High School freshmen to be admitted this First Semester 2009-2010.

Please be informed that we are not downsizing this year's incoming High School freshmen nor totally closing the UPVCC High School program. As agreed upon earlier by UP with CHED and DBM, we are going to peg the total enrollment of UPV High Schools to 500 students, or 250 students each for Cebu and Iloilo.

In this connection, you are advised to open a first year section with about 40 students or a number which will complete the 250 total population for high school students (i.e., if there are 210 students from 2nd year to 4th year, 40 freshmen students will be admitted. This may go lower or higher, depending on the number of 2nd year - 4th year students).

For your guidance.

Truly yours,

MINDA J. FORMACION
Chancellor
