

**Is it possible to be a Christian and believe in a blend
of other faiths at the same time?**

I don't think you can have a blend of different beliefs and be a Christian at the same time. Let me explain why. Jesus Christ made exclusive claims to deity, to the afterlife, and how a person obtains eternal life and He also said that God is going to judge the world in righteousness and anybody who breaks his laws will be condemned to an eternal Hell. Jesus also said that the only way to escape that eternal Hell is through repentance and faith in Jesus Christ and in Him only. Anything that gets presented to you as an alternative to Jesus Christ as God and Him only is heresy and it will be condemned---forever. Therefore I don't think that a blend of faiths and biblical Christianity are compatible.
