When you walk through a storm
Hold your head up high
And don't be afraid of the dark
At the end of the storm
Is a golden sky
And the sweet silver song of a lark

Walk on through the wind
Walk on through the rain
Tho' your dreams be tossed and blown

Walk on, walk on
With hope in your heart
And you'll never walk alone
You'll never walk alone

Rush scored one
Rush scored two
Rush scored three
And Rush scored four!

Oh... I am a Liverpudlian
I come from the Spion Kop
I like to sing, I like to shout
I go there quite a lot (every week)
We are the team who plays in red
A team that we all know
A team that we call Liverpool
And to glory we will go
We've won the League
We've won the Cup
We've been to Europe too
We played the Toffes for a laugh
And we left them feeling blue
