Servings: 20

Notes: Make sure the butter is cold. Make sure walnuts are very finely chopped - with some pieces as large as a pea, but with some almost a powder.

1. Adjust the oven rack to the top third of the oven and preheat to 300F (150C). Line three baking sheets with parchment paper.
2. Beat the sugars and butters together until smooth. Mix in the egg, vanilla, and baking soda.
3. Stir together the flour and salt, then mix them into the batter. Mix in the chocolate chips and nuts.
4. Scoop the cookie dough into 2 tablespoon balls and place 8 balls, spaced 4 inches (10cm) apart, on each of the baking sheets.
5. Bake for 18 minutes, or until pale golden brown. Remove from the oven and cool on a wire rack.
6. Store at room temperature in an airtight container for up to 3 days.
