

**Diketso Mosimane** Listening to Farrakan " a white man has a frequent liar programme" sounds very interesting because all the lies in COPE are started by whites pity. Who divides us actually Terror claiming to be the victim whereas he is surrounded by perpetrators like Andries Keun, Hennie Kiesser, Juli Killian, Diedre Carter, Graham Mackenzie, Johan Nel, Graham Macintosh, Carlton Weber and many others on the frequent lying programme.

**Diketso Mosimane** The frequent lying programme has been confirmed to be pushed by all these ppl. U have been duped to believe that its for the interest of COPE but alas its personal interest at its best and I am not apologetic about it. Why do they put so much money in these lies?
