

# Truth Search 08

Presents:

## “His Season” – from Guelph, ON

One of the best groups Canada has ever produced! God is at work in this wonderful group. Fabulous harmony – great arrangements, original material, and the fingerprints of God all over their ministry! Brian comments, “We continue to be in awe over the awesome things the Lord is doing in the lives of the three of us. People are being saved, lives are being recommitted, families are being changed!” Performing over 200 times a year this full time group of recording artists will excite you, bless you and encourage you.

**Rev. Joe Boot** is an evangelist, apologist, author, and former executive director of Ravi Zacharias International Ministries in Canada. As a widely respected communicator and educator, Joe’s ministry with RZIM has taken him all over the world to more than 20 countries from North America to Central and South East Asia as well as Australia proclaiming and defending the gospel at universities, colleges, seminaries, churches, missions, and conferences. Notably he has addressed audiences at Eton College, Windsor, Oxford University, London School of Theology, University of Toronto, Waterloo University, and Forman University College in Pakistan. He lectures regularly at the RZIM summer school at Oxford.

Joe Boot is particularly gifted in communicating to skeptics in a biblically illiterate society and is in growing demand for his ability to bring a credible, biblical proclamation of the gospel to seekers, skeptics and those who shape the ideas of our culture. His apologetic works, *Why I Still Believe* and *Searching for Truth*, have been published in Europe and North America.
