UWM Peck School of the Arts' Woody Herman Educational Jazz Workshop October 21 and November 5

Start off your season with UWM Peck School of the Arts' Woody Herman Educational Jazz Workshop on October 21 (combos) and November 5 (ensembles), featuring international guest artists Pete Zimmer, Wayne Escoffery, Chris Vidala in clinics and concerts. This is an excellent opportunity to get your ensembles motivated and inspired in a relaxed, non-competitive environment, enabling young developing ensembles to cultivate the appropriate jazz skills for a successful and rewarding season.

MYSO Jazz Studies Jazz Heritage Festival January 28

Then, on January 28, follow this up with the MYSO Jazz Studies Jazz Heritage Festival. Your school ensemble will perform and have an interactive session with a jazz clinician. To give students some specific tools to take back to your school and their ensemble, there will be separate master classes for bass, piano, guitar, drums, and improvisation, as well as an interactive session for all ensembles with the MYSO Jazz Faculty. The event finishes with a concert by our special guest jazz artist.
