

CLIO AREA FIRE DEPARTMENT POLICY

SMOKING

It is the policy of the Clio Area Fire Department/Fire Authority to provide employees/members with a safe and healthful work environment. Therefore, the Clio Area Fire Department/Fire Authority is committed to eliminating or minimizing any harmful effects and discomfort smoking produces in Department/Authority facilities. The Smoking Policy is designed to meet that commitment in the best interests of all employees/members and visitors.

No Smoking is permitted in the following areas: Fire Department/Authority Buildings, Public Entrance Areas, and Department/Authority Vehicles. Additionally, employees/members shall not smoke in areas where no smoking signs are posted or where a fire hazard from smoking exists.
