

Back in the old CHR at Tyrwhitt Road(80s-00)

CHR NPCC

The school was renamed Christ Church Secondary School (CHR) when it became a Government-aided school back in 1973. Due to the growing student population, the school moved to Tyrwhitt Road campus, formerly occupied by Victoria School, in 1985.

The school was relocated to a brand new campus in Woodlands in December 2001. After moving to Woodlands, CHR NPCC started its 1st Batch of NCOs (now known as Cadet Leaders).

CHR NPCC has come through a long way since its starting back then. Officers and Cadet Inspectors moulded the unit and built its strong foundation to what the unit is now today.
