

The Woodlands Running Club Sunday Night Summer 5K Series

The **Woodlands Running Club** last month awarded for the first time in the club's short four-year history a pair of \$1,000 Dan Green Running Scholarships to two Montgomery County high school senior runners.

Steven Mize and **Erin Miller**, both of The Woodlands High School, were the recipients of the scholarships which were open to all high school senior runners from The Woodlands area high schools.

In an effort to potentially provide more scholarship monies to local student-athletes and as a part of the club's outreach to and in support of the local running and multi-sports communities, **The Woodlands Running Club** will host a weekly **Sunday Night Summer 5K** at Barbara Bush Elementary (7420 Crownridge, The Woodlands, TX 77382) in The Woodlands during the months of June, July and August.

In the fashion and spirit of the Luke's Locker-directed Run The Woodlands 5K Series, which will complete its tenth year of twice-a-month, Saturday morning operation in 2009, the **Sunday Night Summer 5K Series** will be a no-frills \$1 race to provide the community a time of fun and fellowship as the majority of area runners begin their training for the 2010 Chevron Houston Marathon and Aramco Half Marathon.

All races will start promptly at 7 p.m.

Results will be posted on The Woodlands Running Club web site at www.thewoodlandsrunningclub.org and sent to Inside Texas Running and Runner Triathlete News.

For more information about the club, its regular runs and activities, please visit www.thewoodlandsrunningclub.org or e-mail club president Bill Dwyer at President@TheWoodlandsRunningClub.org.
