- For every 50 minutes Urthema is contracted to play, we require a 10-minutes break.
- Urthema is not required to honor musical requests if they are not made prior to 30 days before the scheduled event.
- We are willing to travel reasonable distances to perform but ask that we be compensated for gas; this amount will be negotiated between the contracting party and a representative of the group prior to the event.
- We recommend you make us aware of any special circumstances, changes in the program, etc., as soon as you know of them. The better informed we are, the better we can perform!

Anything else you want us to know?

We look forward to working with you!
