A message from the President

It is hard to believe the year is all but over as president of the Manheim Township Lions Club. It has been a very interesting and learning experience for me, and I would like to thank the club as a whole for their support that was given to me as president. I would like to thank committee chair's and all others that stepped-up and took hold of what ever situation needed attention. That helps make the job easy. I especially want to thank Lions Larry and Sylvia for their help with the many questions I had throughout the year. Also thanks to a Lion Linda for keeping me straight. I will continue to serve the club and support incoming president Lion Judy in every way I can during her 2009 - 2010 term. I would ask the club to stand back of her also, so her term goes smoothly. Thanks again for a great year. Yours in Lionism,

President George

Lions, Lioness and Leo's,

As I write this message I am reminded that this is the last one as your Vice District Governor and Chairperson of the District MERLOW Team. It seems like a just a short time ago I was elected as your Vice District Governor and in a month will be leaving for Minneapolis for the final training for the upcoming year as your District Governor. Lion Sue and I are looking forward to the DGE School and the International Convention and to the challenges the year ahead will bring.

We were pleased to see so many Lions and Lioness from our District at the State Convention at Camp Hill in May. The schedule for us was demanding and we tried to greet everyone and hopefully did not miss anyone. It was one of the best that Lion Sue and I have attended.

The summer is here along with a lot of Club projects and we wish you much success as you do the work of Lionism. Don't forget to set aside July 19th for Beacon Lodge Lions Appreciation Day. It is always a good time. Take along someone who has never been at the camp and they will be hooked on Lions forever.

Congratulations to the Clubs that are a plus one or more in membership. If your club is not, now is the time to get out and recruit to assure you are come June 30th. The District MERLOW team is available to assist you in meeting not only this goal but to strengthen your Club. Call any of the members listed in the directory and they will set up a program for you.

Keep up the good work you are doing in your communities and we are looking forward to seeing you at the Ride for Sight in June and the Key Member Picnic in August.

Yours in Lionism,
Lion Steve Benedict, DGE

A Message from our District Governor

Lions, Lioness, and Leos,

It seems like it was only a short while ago that First Lady Pauline and I were in Bangkok at the International Convention to begin the year as District Governor of this great District - 14D. As I look back to that convention and hear International President talk about his theme "Miracles Through Service" and Lions are Everyday Heroes, the Lions and Lioness and the Leos in District 14-D truly are Everyday Heroes doing the major things with vision with clubs and the district working together through the Helen Keller Fund. Clubs working together on hearing aids. Lions working together to drive people to the doctor and other appointments. Truly being Everyday Heroes. Alone we can do so little, together we can do so much.

I want to thank everyone who served on the District Cabinet this year and did their part to make this year a truly great year. Each person on Cabinet was special and your dedication and hard work was appreciated. Each club visit was special. I want to thank each club for the hospitality, the food, and the courtesy that was extended to me and First Lady Pauline on our club visits.

It is truly an honor to be the District Governor of this great District 14-D. And as this year ends I want to thank everybody for the memories. No we did not reach all of our goals but never the less we had a good year.

Thanks,

District Governor

Dale L. High
