

THE SPiTEFUL

JANUARY 2010

A heavy 2010 awaits us!!

Hey there!

A hard, heavy, mighty, powerful, head-crushing 2010 are **The SPiTEFUL** wishes to you all.

We're not much into the future telling business (we're more into the making ear-piercing music one) but it's not hard to tell this year will be one of the heaviest one yet. Why? Because we're putting all our strength in making sure we're gonna be playing somewhere near... well, everybody!

We want to make sure you get to know our live set from one end to another... and then backwards.

That's way you should check carefully the "concerts" area further down on this newsletter and drop by our blog or myspace to let us know on how we're performing on our thrash-metal providing business.

The Black Box Experience

Celebrating its 44th anniversary, the José Lúcio da Silva Theatre is promoting The Black Box Experience. Although this is not a venue with regular alternative programming, this event will break that barrier, providing the possibility for an onstage audience, in a blackbox-like environment to experience up-close the performance of The SPiTEFUL and Raven Soul.

It'll be a one of a kind and memorable show and were counting on your support so that this can be just the first of many events of this sort, using one of the best cultural infrastructures in Leiria.
