Rocknrolla

Hey, there!

Following the The Black Box Experience, where **The SPiTEFUL** played in José Lúcio da Silva Theatre, in Leiria, we're proud to announce that a video for **Method of Fire** is available in our **youtube** page and **blog**.

Taken from **The SPiTEFUL**'s release, **Persuasion Through Persistence**, **Method of Fire** uses footage from the Black Box show and is both the first video from **The SPiTEFUL**'s debut album and an opportunity to have a glimpse of that January 21st night's feeling
