This tournament is only open to licensed real estate agents. This is a great opportunity to see some additional inventory to be better prepared to meet the needs of your buyers. We also wanted this to be a fun day for all of us, to play some golf, network, maybe get some tips, and just enjoy the day. We really hope you can make it.

Port Ludlow, the premier waterfront resort community in the Pacific Northwest, is unlike any other place in America. Nestled among acres of majestic forests, woodland trails, and salt-water beaches, the emphasis here is on nature and community. Homes in Olympic Terrace, our newest village, are welcoming and spacious, many with views of snow-capped Olympic Mountains or the Resort's top-rated 18-hole golf course, which has been described by Esquire Magazine as "The most scenic in the world".

Spend a few minutes touring our three beautiful models in Olympic Terrace. Put your name in for the drawing for an overnight stay at The Resort At Port Ludlow. (Did you know The Resort was on the Condé Nast Gold List 2009?) Then head to the ProShop for a great day of Golf with your friends and peers. As the Developer we want you to know that we appreciate your efforts to sell our homes in Port Ludlow.

Make your room reservation online – www.portludlowresort.com, and enter "realgolf" in CorporateID.
