About the author

Ankush Modawal, 26, is probably the 1st author and ONLY in the world to write 2 ground breaking Life Transformation titles based on manifesting miracles; Black Book One & it's sequel, Black Book II, and then venture into writing a Dark Comic Fiction/Reality title; Blue Book.

Being 1 of India's youngest literary talents, he is also a Law of Attraction & Feng Shui Practitioner. Ankush is the founder of 2 Dawns Publishing House which publishes books and India's 1st and ONLY monthly online Magazine for manifesting your desires; Black Book Notes.

Along with fashion designer, Purnima Raheja, he heads the haute couture brands, Siren (for ♀) and Immortal (for ♂)

He also works closely with the Event Management Company, DVR (Directing Vision into Reality) Management. His passions include dogs, driving, eating, horse riding, music, metaphysics, nature, psychology, reading, shooting, travelling, quantum physics, yoga and a lot of other undisclosed activities! He is currently married to his 1st wife; writing!

His name and literary contributions are associated with too many brands, companies and people to mention here! Ankush is a new age spiritual author and began his magical journey on the enlightened path that lay before him like it lies before all of us. All that you ever need to make your dreams come true is You. This is what he teaches, faith in faith, with faith.

He currently lives in New Delhi, India. Feel free to click on the following icons to follow him on his Social Networks or just see what's up with him!

The Star is dedicated to the sacrifices I made that made me cry because as my tears fell, I rose to become what I had only dreamt of becoming, A Star.

For the one reading this

The Star, is dedicated to that one person in your life who inspired the most greatness in you, your Star

(Write his or her name)

If you haven't met your Star yet, wait until you do before you fill in the above blank

“I can’t imagine and couldn’t even have dreamt of becoming what I am today. Of course that’s just a figure of speech that I use because anyone who has ever achieved anything unimaginable imagined it either consciously or unconsciously.”

2

“Nothing changes until you do.”

3

“People will always ask you about how you do the things you do best and you will be unable to explain to them the gifts God gave you.”

4

“Sometimes the best thing to do is do nothing at all.”

5

“Your failures will be like funerals, where only the same selected few close people will arrive to give you a sympathetic shoulder to lean on. Your successes however will be like the most happening parties, where even uninvited guests will show up!”

6

“Never look behind or at your past, where you are headed is not where you came from.”

7

"If you continue telling horror stories of the past in your life, be sure that a sequel is in the making!"

8

"Learn to distinguish between the loud blabber of your ego and the soft whisper of your intuition."

9

"Don't give a tiny rat's ass about how what you want will come into your life, that's a sure fire way to make it manifest faster!"

10

"Conquering your fears is the most addictive drug which will give you the highest high."

11

“It’s easy to attain something but the real challenge is to maintain whatever you did.”

12

“Misery might attract pity but never commands respect.”

13

“Forgive the people who hurt you to a point you don’t even remember the reason you needed to forgive them.”

14

“Our sole purpose is to fulfill our soul’s purpose.”

15

“The truth when repeated often loses its value.”

16

“There are a lot of ways to do something but doing it with love beats them all hands down!”

17

“Great achievements are not the cause of becoming great, becoming great is the cause of great achievements.”

18

“Ego is not the same as self respect and you must compromise on one of them to truly know the other.”

19

"Don't just beg to differ, be different!"

20

“Be shameless, stubborn and stupid about your dreams! Though the ones around you might hate you for being that way at first for whatever reasons they perceive justified, at the end, you’ll love yourself and eventually, the whole world will love you for it.”

21

“No matter how crazy, fucked up or stupid your beliefs are, they will all come to pass. Choose to believe things and in things which you would like to experience in your life.”

22

"If you ever raise your hand, do it to give someone something of value in theirs."

23

"Everyone is born great, and then we just fuck it up!"

24

"When you feel something, you ARE that very something and you will attract more of that very same something that you feel, to make you feel more of that very same something that you felt."

25

"Your parents might have given life to you but they can't take responsibility for it forever."

26

“Life is a unity of paradoxes.”

27

“Just like venom is used to create antivenom, use all your rage, hate, jealousy and every other poisonous negative emotions to create something worthwhile with them, that’s the way a champion lives.”

28

“Commitment is not something you give to another, the society or the world, it is a promise that you make to yourself and stick by it till the end.”

29

“The only way to live life is to have in it something worth dying for.”

30

“One of the greatest gifts you can give to someone is to inspire desire within them to become greater than they think they are.”

31

“Everyone has a different definition of success. Define what it means to you and take baby steps towards it every waking hour, every day and if you can do this sincerely, you will be astonished by the miracles this Universe will unleash on you.”

32

“There will always be haters in your life who will be jealous of your successes and it's your duty to keep giving them even more reasons to piss them off.”

33

“Most people become too busy trying to find something that they become blind to see that it’s right in front of them.”

34

“Anything worthwhile that has ever been accomplished is almost always accomplished alone.”

35

“Laugh at your own mistakes but be empathetic to the ones committed by others.”

36

“People will do anything to avoid emotional pain and if you can ease their suffering somehow, you will be loved by them for it.”

37

“Keep your dreams to yourself and in the confines of your heart until you believe in them enough to make them manifest, otherwise they might die in the harsh environment of reality.”

38

“If your life is not exactly the way you want it to be, it means that you have been procrastinating on taking some decisions that you believe are hard to make.”

39

“Once you become impervious to failures, you won't have to suffer because of them anymore.”

40

"Relationships change because they are unable to sustain change."

41

"The only thing that matters is how you look at things."

42

"Sometimes it takes a swift kick in the ass to make things happen!"

43

"When inspiration comes knocking on the doors of your mind, you must divorce all lethargy, sleep and incompetence or else it will leave you for a more hospitable habitat."

44

“Stop getting by and start living by getting high!”

45

“Ignorance is one of the greatest causes of all suffering and one of the supreme virtues of happiness.”

46

“People don’t learn to do as much by learning something than they learn by doing it.”

47

“Don’t spend your time and life on those who refuse to invest in yours.”

48

“It’s not a matter of choice but a matter of consciousness.”

49

“A book is a man’s cheapest best friend.”

“Mistaking niceness of others and perceiving it as weakness is one of the biggest blunders that you can ever commit.”

51

“Patience is a virtue of the dead.”
