

Children star group

“Protection of child and child star unit”

Today the date 20th June 2008 org children star has its own rule and regulation in group which is made by the member of this Group. This rule is for all the executive and member of this group. To pass this rule the entire member of the group has voted .and this rule is make by the member of children star group. Children star group was create to protect the children over the World.

At what thing we focus more.

- *As the children star group we are ready to serve all the people and children from harm.*
- *One child one nation has the care and protect of children.*
- *Future is the children.*
- *All the people below 18 are treating as the children.*
- *Each children have right to speak about their idea.*
- *Each children have right to speak about their religion, country, justice, and freedom.*
- *As we are the children we think that each children have right to participate in any kind of social program.*
- *As we Think, Children Must not Be used as any sexual activities or on War.*

What is children star group?

Children star group was the social organization which aim is to protect the child and promote right of children. The Establish of this group was in 20th June 2008.it was Create by the refugee children of Bhutan settle in Eastern Nepal. To provide the facilities and conduct program on refugee society. This group provides several Social Awareness programs in society Such As

Drama, poem Competition Etc. The main objective of this group is to Save the Children around the Universe from Harm.

Where is this?

As Children star, Group was formed on the Small Refugee Camp Children Star Group Does Not Have an Actual Place where it was Lie. However, the Member of children star group is in different country such as Australia, United state of America and so on.

To protect our self we the members of children star Group have create some of the rule and regulation, which help Us More to fit on the Group. Here are the rules that we have make for us.

-  *Other thing may add if needed.*

WHAT IS CHILDREN RIGHT AND RESPONBLITIES?

Children right is the fundamental right of children giving by country, society or community in which is consist of right to Go school, right to Have a freedom, right to have a justice and so on . Each children have right to speak about their country. Parents are responsible to make their children talent, obedient, truthful or powerful. Children are not allowed in any kind of Domestic violence. So in order to make their future bright we have to love and respect the children.

ELECTION:

The election of children star group is Held on every June 25th. All the member of children star group will vote for the person who wants to

be the executive body .out of 100% there must be 70% of vote to won the post. That means out of 100 votes there must be 70 votes to. The vote is conduct by the children star group it's self. There was vote in every one yrs. One person can vote on three different posts as shown on below. If the problem arises, on the group member should change other person and that person must be the member of children star group and have work as member for at least 1 years. There Were mainly 3 post in which vote is conduct? They are as follow:

- *Coordinator*
- *Treasure and*
- *Secretary*

This ruled is created by the member of children star group who are now in different country. They are also treating as the member. We are very thankful to all who support and help us to make the group better. In addition, specially thank to all member of children star group.
